

Directions from the Airport to the CII Offices (approx. 15 miles; 28 minutes):

Exit Austin Bergstrom Airport, proceed under Highway 71 overpass, then turn left and enter westbound 71. Go straight through one light, then exit right onto northbound 183.

Take 183 straight through two lights and across a bridge, then continue on 183 by exiting to the right. You will drive about 14 miles on 183 before you need to change direction again at the MoPac exit.

Exit right onto the northbound Loop 1 (MoPac Expressway) exit. Stay right and take the Loop 360/Braker Lane exit. Proceed straight through the Loop 360 (Capital of Texas Highway) signal, but get into the leftmost lane as you approach the Braker Lane intersection.

Turn left onto Braker Lane, cross the bridge, then turn left onto the southbound MoPac access road.

Turn right onto Balcones Center, at the MCC sign.

At the first possibility, turn right into the building entrance access road. Follow the road straight to the front of the building. Visitors' parking lots are the two small lots on either side of the circular drive.

Upon entering the building, you will need to sign in at the front desk. The security guard will provide you with an ID tag to wear while you are in the building.

You will also need to sign out and return the ID tag upon exiting the building (you will be able to exit only at the front of the building).
